

UINTAH MIDDLE SCHOOL
COMMUNITY COUNCIL MEETING
March 6, 2024

ATTENDING:

Sharon Shipton (Principal)
Britli Foley
Alyse Hayes
Holly Shiner
Tamara Hatch (Teacher)
Jeni Gudac (Counselor)

ABSENT:

Eric Dilworth

Opening

The meeting was brought to order by Britli Foley at 2:46pm.

Approval of Minutes

Britli Foley asked if everyone had read the minutes from our last meeting and if there were any corrections or changes that need to be made. Alyse Hayes made a motion to approve the minutes from the last meeting as written. Tamara Hatch seconded the motion. Foley, Hayes, Hatch, Shiner, and Shipton were in favor, none opposed.

Counselor Items

The time was turned over to Jeni Gudac for counselor items. Jeni told the council that students have finished registering for 9th grade and they have scheduled the 5th grade classes to come and visit. After a counselor meeting they found out that the high school students will be building their own schedules for next year. The high school counselors will visit the 8th grade English classes April 15 & 16 and explain the process. There will be a video link on Canvas. Students will have 1 month to complete their schedules.

Proposed Trust Lands/TSSA Plans

The time was turned over to Sharon Shipton to present the draft plans for Trust Lands and TSSA. (See attached) Since enrollment is down the amounts for next year will also be down but there could be some carryover from this year. A motion to approve the plans as written was made by Alyse Hayes. Tamara Hatch seconded the motion. Foley, Hayes, Hatch, Shiner, and Shipton were in favor, none opposed.

Other

Sharon Shipton shared the feedback she had received from having testing one day with a day after for make up per subject. Students and teachers seemed to all agree that it was so much better than dragging it out for weeks. Parents really liked that the students were given breaks and snacks. Holly Shiner volunteered to see if she could get us a good price on donuts for our last snack of testing.

Patron Input

Britli Foley attended the Science Curriculum presentations and shared the information with the council. She had handouts and booklets from STEMscopes, TCI and Amplify. There was one more option but the Science Committee agreed it was not a good option and there was no handouts.

No other patron input.

Next Meeting will be April 24, 2024.

Alyse Hayes made a motion to adjourn. Holly Shiner seconded the motion. Foley, Hayes, Hatch, Shiner, and Shipton were in favor, none opposed.

The meeting adjourned at 3:25. The council stayed to review the Teacher and Classified Employee of the year nomination forms. After reviewing they voted by ballot. The Teacher of the Year is Jason Pierce. The Classified Employee of the Year is Corina Sam. They will submit their applications to the District Committee.
