The time was turned over to Jeni Gudac for counselor items. The counselors are registering students for 9th grade. They plan to visit the 5th grade students and start registering them soon. Near the end of the year the 5th graders will come to Uintah Middle School for a tour. The counselors are trying to decide if it is beneficial for the 8th grade to go visit Uintah High School. Wes Taylor thought it would be beneficial for some students that don't do well with change.

Test Results

The time was turned over to Sharon Shipton. Mrs. Shipton shared the results from the beginning of the year testing and the middle of the year testing. She explained how teachers use this information to help individual students. Students know their scores and set goals. Teachers focus on doing their best. Growth is the most important thing.
